What is inside?

- ★ Letters Aa to Jj — big letters to trace, with a picture for every letter
- ★ Numbers 1 to 10 — tracing, counting and circling the right number
- ★ Shapes and colours — circle, square, triangle and star
- ★ Matching games — join the letters, join the numbers
- ★ A special page at the end, all about YOU

For parents and teachers

Ten to fifteen minutes a day is plenty at this age. One page a day is a good rhythm — little and often builds strong habits.

Always praise first: the effort, the sitting still, the trying again. The right answer matters less than the confidence to try.

Stop while it is still fun. A page finished smiling teaches more than three pages finished in tears.
